From (Name) W.G. Dyson Esq., I.F.S.,
(Designation) Chief Conservator of Forests.

To The Secretary to the Government of Madras,
Development Department.

Sir,

Reference: G.O.No.2326, Ms. Development, dated the 28th September 1940.

---

With reference to G.O.No.1054 Ms. Development, dated the 31st August 1933 I submit the following report on the special forest concessions allowed in the South Kanara District during 1940.

2. The working of the concessions was on the whole satisfactory, except in the case of the following four reserves in which the concessions were abused:-

Puttur Range

Kalanjimale Reserved Forest
Veerakamba Reserved Forest
Kaniyarmale Reserved Forest.

Mangalore Range.

Kodiamale Reserved Forest.

Kalanjimale

Kalanjimale has been closed to all concessions since the 1st April 1939 and in spite of this, felling of green branches of trees for manure leaves and fuel, and indiscriminate hacking have not abated. There is therefore no option, but to continue the closure for one more year from the 1st April 1941 and it may be ordered.

The District Forest Officer is however being instructed to keep more in touch with these villagers and see if he cannot persuade them to show an improvement.

The warning issued on the 21st August 1940, to the villagers concerned, in respect of Veerakamba Reserved Forest, had no effect. This reserve may also be closed to all concessions for one year from the 1st April 1941.

The abuse in the other two reserves is not such as to justify the with-drawal of the concessions. The District Forest Officer will be instructed to warn the villagers concerned.

3. I enclose a list of coupes which have to be closed to the concessions on silvicultural grounds and coupes which were closed in previous years and which will now be opened.

4. The first three concessions approved in G.O.No. 1211 Ms. Development, dated the 10th May 1938 were enjoyed by the ryots without much abuse. These concessions may be continued in 1941-42.

The fourth concession, regarding the formation of manure leaf felling series, was not made use of by the ryots and the scheme was dropped in G.O.No. Ms.2509, Development, dated the 26th October 1940.
